RE: Compliance Office Group Email Address for Procurement Authorizations and Approvals

The SPO Compliance Office now has a group email account for procurement exception authorization requests such as Off-Contract Authorizations, Multi-term beyond five years, Limited Competition (Competition Impracticable, Sole Source, and Emergency), cooperative or multi-agency contracting, and brand name requests. Agencies are to send these types of emails to SPOCompliance@azdoa.gov and include a basic description in the subject line. Please note that all Sub-Delegation and Limited Competition reports are still to be sent to DOAReporting@azdoa.gov and E-Verify reports are to be sent to EVerify@azdoa.gov.

This announcement will be posted to the SPO website. If further changes or clarification is needed, a new SPO Alert will be sent.
